To Whom It May Concern:

This correspondence serves as a response to the Commission's Request for Additional Information dated August 27, 2014. The Students for a New American Politics (SNAP) PAC had endorsed the Eggman for Congress 2014 campaign and pledged to send help in the form of two organizers who were current college students on summer break. It was unclear to the campaign committee at the time, whether SNAP PAC was paying for transportation for the organizers or paying the organizers and SNAP had not made such information available to the campaign. The committee had made multiple requests for documentation from SNAP PAC regarding a possible in-kind so that reporting obligations could be met.

The committee's repeated requests for information were not answered until July 2, 2014. After receiving documentation, it was clear that on May 15, 2014 Students for a New America Politics (SNAP) PAC gave an in-kind contribution of \$1,245 for staff transportation in the form of booked plane flights for the two students. As a result, the \$1,245 in-kind contribution was not reported on the committee's 48-hour reports. However, it was reported on the committee's July 15 Quarterly report.

Please notify the committee if you require further information regarding this matter.

Respectfully,

Jay Petterson, Treasurer
